DRIVER STARTER CARD

Ready for your route?

A practical prompt for new and existing self-employed drivers.

PHONE & POWER

- ☐ Charged phone, secure phone holder and charging cable or power bank.

PRACTICAL ITEMS

- ☐ Pen, food and drink; appropriate clothing and hi-vis.
- ☐ Safety footwear where required; weather bags, delivery labels/stickers and missed-delivery cards where used.

VEHICLE

- ☐ Enough fuel or charge; carry out the required vehicle checks and look for obvious defects.
- ☐ Know the accident/damage process. Report accidents or damage promptly through the appropriate DSP process.

SAFE DELIVERY

- ☐ Check your licence and driving requirements; be fit to drive and use your phone safely and legally.
- ☐ Follow the correct age-verification (AVD) process. Never guess age or bypass required AVD procedures.

Follow your DSP's training, operational instructions and safety procedures. This card is a prompt, not a replacement for them.

DRIVER STARTER CARD

Know what you keep.

Don't just know what you're paid. Know what you keep.

YOUR INCOME

- ☐ Confirm your actual daily/route rate, bonuses and any conditions or deductions.

YOUR COSTS & TAX

- ☐ Allow for van costs, insurance, fuel and tax provision.
- ☐ Check VAT and whether the Flat Rate Scheme is genuinely appropriate for your circumstances.
- ☐ Keep business-expense records and receipts. Check whether mileage or actual vehicle-cost treatment applies.

WHAT ARE YOU REALLY KEEPING?

Work out what remains after the costs of doing the work - not just the headline daily rate.
